Re: Vioxx Seeding Study Selection

Brandon, these are the physicians that we, Cluster 0707, would like for you to consider for the seeding studies with Vioxx. The physicians will be listed in order of importance and the reason for selection given following the name. The physicians are as follows:

1. Timothy Overlock MD  
2700 Richmond Rd.  
Texarkana, Texas 75503  
Phone  
MedEd 3050191015  
DEA BO4984919

Dr. Overlock was selected because he is the Chief Clinician at one of the Senior Health Clinics in Texarkana. His patient practice would afford him the opportunity to place patients in the trial quickly. Merck friendly customer.

2. James Logan MD  
703 S. Washington  
Marshall, Texas 75670  
Phone 903-927-2278 Fax 903-927-2285  
MedEd 0481493232  
DEA BL4404404

Dr. Logan was selected because he was listed as the 5<sup>th</sup> most active prescriber of arthritis medications in the October reporting period based on a spreadsheet sent by Marla Pena. He is also a Merck friendly customer.

3. O.M. Reichert DO  
Rt. 8 Box 1646 Hwy 1402  
Mount Pleasant, Texas 75455  
Phone  
MedEd 0487880068  
DEA AR9528172

Dr. Reichert is an Early Adopter and is extremely influential in new product releases. He also is an A+ Portfolio rating.

4. John Greifenkamp MD  
707 Hollybrook Drive  
Longview, Texas 75605  
Phone 903-757-6042  
MedEd 0201271033  
DEA AG5416145

Dr. Greifenkamp has an A+ portfolio rating and in the past he has been interested in research. His patient population has an average age of 53yrs.

Brandon, if you need any additional information, please feel free to contact me.
